

I am practicing law as an Associate at Sabzwari Law Associates. I am a faculty member of National University of Science and Technology (NUST) and also working as Legal Consultant for Pakistan Medical and Dental Council (PM&DC).

I chose University College of Islamabad (UCI) as it had an excellent teaching staff and they provide greater personalized attention. Also, the library which houses an extensive set of current law books and journals and the many opportunities afforded to students for grooming advocacy and public speaking skills was an added attraction.

I am an Advocate of the Supreme Court of Pakistan.
